ADOPT A CHAIR

2009

The Adopt A Chair Campaign is designed to enable the refurbishing of the 125 year old, decorative, cast iron theater seats. These seats are an integral part of the ambiance and history of the outstanding Victorian theater at Cunneen-Hackett. The seats are in dire need of re-cushioning and new upholstery.

A gift/donation of \$125.00 will facilitate the adoption of one of these unique chairs. The adoption provides an opportunity to support a local cultural venue in a creative and enduring manner. The Adopt A Chair Campaign marks the near culmination of a 5 year effort to restore the beauty and viability of the National Historic Registry building's theater.

Donors will have their names, businesses or dedications engraved on brass plates that will be attached to a large plaque* that will hang permanently in the theater lobby.
